WHO WILL PLAY IN INDIAN OPERA

Splendid Array of Local Talent in Entertainment of Marcato Club.

The beautiful Indian opera, Powhatan, will be given Wednesday evening and Thursday afternoon at the Victoria theater under the auspices of the Marcato Music Club, and under the personal direction of Albert L. Baker, a gentleman of wide renown as director of light operas.

Mr. Baker plays the part of Captain John Smith, the English explorer. He thoroughly understands the character he portrays, and is really the central figure of the opera.

Miss Anne Boggess, a great favorite with the Clarksburg public, is very fine as the Indian princess, Pocahontas, and her number shows her pretty soprano voice off to good advantage. In the beautiful duets with Captain Rolfe their voices blend well together. Captain Rolfe is portrayed by Grafton Baker, who is blessed with a beautiful lyric tenor. Mr. Baker was with the Bostonians three years and with the Aborn Opera Company seven years. The Marcato Music Club is very fortunate indeed to be able to have him for this production.

Perry Hardman as Powhatan is an ideal Indian chief. His tall statuesque figure and good bass voice make him one of the good characters of the opera.

Miss Bessie Byrd, as Laughing Star, a daughter of Powhatan, is remarkably fine. She has good opportunity to show her beautiful contralto voice to good advantage. One of the sure hits, is the song and dance in the first act by Laughing Star, Pathfinder and Medium Man. Miss Byrd is a great favorite with Clarksburg audiences, and as Laughing Star her popularity will be greatly increased.

Dr. Herbert Atchison is a great success as the Pathfinder and Lyle Powell as the Medicine Man, takes his part to perfection. The Pathfinder and Medicine Man are both lovers of Laughing Star, and their jealousies of the pale faces is well portrayed. Both of these young gentlemen have difficult Indian dances to perform, and they do it well.

Miss Mary Coleman as Minniehaha is well taken. She tells the little braves of the big bugaboo, the "pale faces," and she is ably assisted by little braves, who threaten to do great things to the "pale faces."

Miss Nellie Fletcher as Song Bird, while singing to the dear little papoose, little Gene Smith, makes a very effective number.

The chorus is bright and catchy, and the picturesque costuming of the entire cast will be very pleasing and effective. The "Feather Ballet," by six young ladies, is one of the best and prettiest dances ever given in Clarksburg by local or professional talent. The pony ballet by Pathfinder and Medicine Man, danced by young ladies, is another good dance. The opera abounds in good dancing, beautiful Indian costumes, pretty, catchy music and will make a very pleasant evening.

The tickets will be on sale at 9 o'clock Tuesday morning at the Victoria theatre box office. Reserved seats will sell at \$1.50 and \$1.00.

BOWLING NEWS

The leaders of the first week of bowling for prizes at the Gore bowling alleys are as follows:

The high score for three consecutive games of ducks, June Powell, 141, 108, 127—376.

High score for one game, F. A. "Daddy" Drake, 155.

The high individual and high score for three games in ten pins was captured by F. A. "Daddy" Drake, his individual score of 236 standing all week, and his three games, 195, 214, 178—385, also stands high at the end of the first week.

Monday and Tuesday are the last chances, as the prizes will be awarded Tuesday night, and if any local bowler hopes to win out, he will have to get started.

The new rubber duck pins have arrived and Manager Dresbach is using them all the time on alleys Nos. 5 and 6. This gives the members of the different teams a chance to practice with the new pins.

Why is the soda cracker to-day such a universal food?

People ate soda crackers in the old days, it is true—but they bought them from a barrel or box and took them home in a paper bag, their crispness and flavor all gone.

To-day there is a soda cracker which is the recognized staple—Uneeda Biscuit.

Uneeda Biscuit are the most nutritious food made from flour and should be eaten every day by every member of the family from the youngest to the oldest.

Uneeda Biscuit—soda crackers better than any ever made before—made in the greatest bakeries in the world—baked to perfection—packed to perfection—kept to perfection until you take them, oven-fresh and crisp, from their protecting package.
